DUSP 1.9.4 The universal service provider shall monitor or procure the monitoring of its performance in relation to the D+3 standard set out in Table 2 for USO outgoing European Union services using an appropriate testing methodology.
<p>| <strong>DUSP 1.9.5</strong> | Where a standard in Table 1 or Table 2 is expressed by reference to deemed delivery, this shall entail no obligation to monitor separately each one of the ways in which deemed delivery may be achieved. |
| <strong>DUSP 1.9.6</strong> | The universal service provider shall at all times maintain and comply with a code of practice for identifying the incidence of, and addressing the causes of, significant failure to meet the performance targets in relation to any postcode districts within a postcode area in which the performance targets overall are met. |</p>
